Dear Mr Willoughby

Congratulations on achieving certification with us

We'd like to say a big thank you for choosing Alcumus ISOQAR as your certification partner. We know you have a choice when it comes to auditing and certification services, however here at Alcumus we pride ourselves on maintaining long-term relationships with our clients and delivering an approachable added-value service.

We also believe that you should shout about your certification achievement. That's why you'll find enclosed some complimentary stickers and a guide to help you do just that.

Our Alcumus 'ISOQAR REGISTERED' stickers can be used on a variety of surfaces and both indoor and outdoor. Most customers choose to use them on vehicles but they can equally be applied to windows, doors, laptops and many more places. Should you wish to purchase more, then simply complete the order form enclosed with this letter.

We certify organisations to a number of standards ranging from the ever popular ISO 9001 quality management system standard through to very specific industry schemes such as BS EN 1090 (CE Marking for structural steel). We can also offer second party auditing and assessment to your own standards. If you'd like to understand what other standards may be relevant to your business please call us on 0161 865 3699 or browse our website at www.alcumusgroup.com/isoqar.

We look forward to working with you in the future and hope the enclosed will serve as helpful tools for your organisation.

Yours sincerely

Nikki Sammé
Director - Alcumus ISOQAR

Enclosures: stickers, guide, order form

Certificate of Registration

EC CERTIFICATE of Factory Production Control
Certificate No: 0513 – CPR - 13436-001/01

In compliance with Regulation 305/2011/EU of the European Parliament and the Council of 9 March 2011 (The Construction Products Regulation or CPR)

Structural Components for Steel Structures

Harmonised	Type/Execution Class of the Construction Product	Declaration Method
BS EN 1090-1:2009 +A1:2011	Load bearing structural steel components up to EXC '2' according to BS EN 1090-2:2008 + A1: 2011.	3a table A:1 of BS EN 1090-1:2009 + A1:2011

Placed on the market by:
and produced in the factory

YorkWall Engineering Ltd
Unit 6, Merseyton Road, Ellesmere Port, Cheshire, CH65 2AW

It has been stated that the construction product is submitted by the manufacturer to the initial type testing of the product, a factory production control and to the further testing of samples taken at the factory in accordance with a prescribed test plan and that the notified body Alcumus ISOQAR has performed the initial inspection of the factory and of the factory production control and performs the continuous surveillance, assessment and approval of the factory production control.

Attestation: This certificate attests that all provisions concerning the attestation of factory production control described in Annex ZA of the standard BS EN 1090-1:2009 + A1:2011 were applied.

Date of first issue: 21 October 2016
Date of this issue: 21 October 2016
Period of Validity: 20 October 2019

Validity Period: This certificate remains valid as long as the conditions laid out in the harmonised standard in reference or the manufacturing conditions in the factory or FPC are not modified significantly

Approved on behalf of the Certification Board (Alcumus ISOQAR - Notified Body No. 0513):

Scheme Manager:
Steve Stubley, Technical Director

This certificate will remain current subject to the company maintaining its system to the required standard. This will be monitored regularly by Alcumus ISOQAR. Further clarification regarding the scope of this certificate and the applicability of the relevant standards' requirements (see certificate appendix) may be obtained by consulting Alcumus ISOQAR.

Certificate Appendix

General provisions to the validity of Certificates about Factory Production Control (FPC) according to BS EN 1090 – 1 and Alcumus ISOQAR rules including additional Welding Certificates.

- 1) The regulations as addressed in the below listed documents in their respective relevant version shall apply:
 - a) General Terms and Conditions of Business of Alcumus ISOQAR Ltd
 - b) Contract between Alcumus ISOQAR Ltd and the customer (manufacturer) as named in the certificates
- 2) This certificate is unlimited valid, if the following conditions are fulfilled
 - a) The conditions of this standard have not changed
 - b) Factory Production Control and the conditions of manufacture are unchanged
 - c) There is a valid contract with the notified body
 - d) The notified body must be informed of the following changes in accordance with 1090 – 1
 - New production plant or changes to key production facilities
 - Changes in the position of the RWC
 - Introduction of new welding procedures, new base materials and corresponding WPQR's
 - e) Surveillance periods are carried out in line with Alcumus ISOQAR terms/conditions/client contract with reference to BS EN 1090 – 1. First surveillance carried out after 6 months from Initial Inspection of the manufacturing facility.
 - f) Surveillance reports confirm that conditions are fulfilled to maintain the certificate
- 3) Unscheduled surveillance may be arranged if one of the following situations has occurred
 - a) As per a – d above
 - b) Introduction of a new or modified manufacturing procedure, providing that evaluation properties are influenced
 - c) Changes to a higher execution class (EXC)
- 4) The Welding Certificate may only be used in conjunction with the EC Certificate of FPC
- 5) This certificate may be withdrawn by the notified body at any time with immediate effect and without compensation, if the conditions under which it was issued have changed or if the requirements of this certificate have not been complied with. The Manufacturer is obligated to send the original certificates
- 6) The certificate may be reproduced or published for advertising or other purposes only in its entirety. The wording of any marketing publications must not be contradictory to the contents of the certificates.
- 7) The notified body reserves the right to perform inspections at the company's premises at any time, without having to give notice and subject to additional charge, in the event of questions arising with regards to the manufacturer's qualification.

Schedule of Works

Certificate No: 0513 – CPR - 13436-001/01

In compliance with BS EN 1090-1:2009 Table B1 the following has been stated:

This Schedule of Works is an annex to the EC – Certificate of the Factory Production Control.

Manufacturer:	YorkWall Engineering Ltd
Facilities of the Manufacturer:	Unit 6, Merseyton Road, Ellesmere Port, Cheshire, CH65 2AW
Scope of Works:	Fabrication of Load Bearing Structural Steel Components For Steel Components for Steel Grades below S355.
Standard:	BS EN 1090-2: 2008 + A1: 2011
Execution Class:	Up to Execution Class 2
Welding Processes:	135 MAG (Metal Active Gas Welding) 138 MAG (Metal Active Gas)
Base Materials:	Up to and including S275 to S355 J2 = N (Thickness \leq 25a) (Column Base plates and endplates \leq 50 mm) according to EN 10025-2 (Carbon Steel)
Date of first issue:	21 October 2016
Date of this issue:	21 October 2016

Approved on behalf of the Certification Board (Alcumus ISOQAR - Notified Body No. 0513):

Scheme Manager:
Steve Stubley, Technical Director
